

VOLUNTEERING

AT THE SWANSEA WELLBEING CENTRE

APPLICATION FORM

Hello 😊 Thank you for your interest in a volunteering role with us at the Swansea Wellbeing Centre. Welcome!

Please take a moment to read the role description for the **Meet & Greet Volunteer role**, which explains the importance of volunteers at the Centre, the type of tasks we hope you will be able to help with, and some of the benefits to you. It's always helpful to go through these together to answer any questions that you may have. But, from the description itself:

Are there any parts of the role you're not sure about, or want more information on?

Are there any other things you were hoping to do? What interests you?

If you are interested in the role, it would be helpful if you could share some information with us (that we will store securely), which will help us contact you and manage your experience with us as a volunteer.

Name:

Address:

Email:

Phone Number:

In the event of an emergency who should we call?

- How did you hear about volunteering at the Swansea Wellbeing Centre?
- Do you have any experience of working with people in a hospitality or care role (in either a volunteer or employed position)? Or any other life experience that you think may be helpful to you in this volunteer role?
- What's is your availability for volunteering? I.e. Preferred days / number of hours.
- What are you hoping to gain from volunteering at the centre?
- Is there any other information it would be useful for us to know?

As a volunteer you will be given a 1:1 induction to help you get to know the Centre and how we work, some basic training for the role, and time to shadow another volunteer or member of staff to help you ease in.

Throughout your placement, you will have access to individual and group support from the manager, the volunteer team, as well as other volunteers. Volunteer efforts are recognised and celebrated throughout the year. Your personal feedback and perspectives can also help shape the service.
